## New Castle Cub Scouts to attempt world record

New Castle Cub Scout Pack 221 is planning to set a world record and has received authorization from the Guinness Book of World Records to try to establish a world record for the most food donated by a community in 24 hours, per capita. The attempt will begin on Saturday, November 12 at 1:00 pm, ending 24 hours later at 1:00 pm on Sunday, November 13.

During the previous weekend, Nov 5-6, the scouts will distribute bags to New Castle households, then collect them during the record-setting weekend. The major collection point, however, will be at New Castle’s City Market, where scouts and volunteers will gather donations.

New Castle has a current population of 4500, and the goal is to collect at least 14,000 pounds of food for the local Lift Up food bank.

To assist in the collection process, please contact John Harcourt at 303-548-5881 or [bigfishdaddy@hotmail.com](mailto:bigfishdaddy@hotmail.com).

- Book Bites – 3<sup>rd</sup> Monday of every month 6pm

## New Name for a Tested and Tried School

Just as a well-tended garden often thrives to the point of outgrowing its borders, *The Garden School*, founded in New Castle, Colorado 19 years ago by Dave and Renee Miller, has outgrown its name. The new name, *Liberty Classical Academy* (LCA), more readily reflects the academic and community-minded goals of the staff, students and administration. The school, which is pre-K-12, has alumni who have attended institutes of higher education throughout the United States, as well as internationally.

LCA adheres to the University-Model®, which translates to 2 or 2 ½ days of on-site instruction by tenured teachers, and provides curriculum support for parents, who play an active role in educating their children. A member of the National Association of Private Schools (NAPS) it is a University-Model® school integrating the home and classroom learning experiences. The university style schedule allows students to take charge of their own learning, gives them time to develop meaningful mentor and family relationships, and helps them make a seamless transition to college or career.

*Liberty Classical Academy* graduate, Jenna Talbott, Master’s Degree in Forensic Psychology from the University of Denver stated, “At LCA, I learned philosophy from Plato, chemistry from Lavoisier, humor from Cervantes, and poetry from Homer. I learned how science, music, art and government are intricately connected and cannot be separated without losing meaning. *Liberty Classical Academy* instilled in me a deep and passionate longing to know and understand.”

For more information check the website at: [www.LCA-CO.com](http://www.LCA-CO.com) or contact the school’s director, Renee Miller, at: (970) 984-0604.
