Meet the Chamber of Commerce's Newest Member

The New Castle Chamber would like to welcome our newest member, Ginger Currie. Ginger has recently joined Gold Star Realty Inc. as a new Broker Associate. She specializes in first time home buyers, investment properties, ranches and residential sales in Garfield, Pitkin, Eagle and Mesa Counties. She has a strong marketing background in digital and print media. Before making the decision to shift her career into real estate she worked as a Marketing and Online Learning Director for a national nonprofit resource organization and a continuing education provider for veterinarians.

She currently lives in New Castle and is a native of the area, growing up in Silt and graduating from Colorado Rocky Mountain School in Carbondale. She has lived abroad in France, speaks fluent French and is currently learning Spanish. “Having grown up in the beautiful mountains of Colorado, I have developed a deep love and appreciation for what my hometown has to offer,” said Ginger. She believes that there is nothing more powerful or more important than home and wants to assist her community in making the dream of home ownership a reality.

To contact Ginger Currie, you can reach her at 970-366-7688 or by email gingercurrie@gmail.com
